CELEBRATIONS AT AGGSTEIN CASTLE RUINS

Special occasions call for a special setting. If you want to celebrate your birthday, wedding, or company anniversary in a unique location, this is the perfect place for you. Perched high on a rocky peak with a breathtaking view over the Wachau Valley, you can host your event in the Knights' Hall of Aggstein Castle Ruins.

The Knights' Hall – Ideal for Your Celebrations, Events, Conferences & Company Outings

The Knights' Hall, covering approximately 200 m² and featuring a gallery, can accommodate between 70 and 200 guests, depending on the seating arrangement. Wrought-iron chandeliers cast a warm glow over the room, while an open fireplace creates a cozy atmosphere, and underfloor heating ensures warmth. Magnificent trophies and historical coats of arms add a regal touch to the hall. The dark wooden tables and chairs blend harmoniously into the medieval setting. Both the parking area and castle courtyard are illuminated.

A Feast Fit for Knights

Duck pâté in pastry with rosehip purée, fish soup, Dunkelstein-style venison ragout in flatbread, and a delicious wine berry cake to finish – if you want to dine like in medieval times, our castle innkeeper will create an authentic medieval banquet for you!

Medieval Entertainment for a lively Atmosphere

Take your guests on a journey through time and experience the joys of medieval celebrations! For those who want to fully embrace the spirit of the era, our jesters and performers offer a variety of entertainment, ranging from storytelling, medieval table etiquette, and juggling acts to an awe-inspiring fire show.
