

BURGRUINE AGGSTEIN

in the Wachau valley

GET MARRIED AT AGGSTEIN CASTLE

Are you looking for the right place for your wedding ceremony? The unique flair of Aggstein Castle, with its breath-taking view of the Wachau valley, will make for an unforgettable wedding! You and your guests will continue reminiscing about the day, many years after you say “I do”. The castle’s romantic chapel is perfect for a church wedding; the gorgeous great hall is fit for a large reception with your guests.

The great hall – ideal for your wedding reception

The nearly 200 square-metre great hall with a gallery accommodates 70-200 people depending on your selected seating arrangements. Wrought iron chandeliers lend the room pleasurable light, an open fireplace provides a homely atmosphere, the underfloor heating provides warmth. Magnificent trophies and historical coats of arms give the hall its feudal character. Dark wood tables and chairs blend harmoniously into the medieval ambience. The gallery is exceptionally suited for the civil ceremony.

Enjoyment of the Finest. Medieval Style

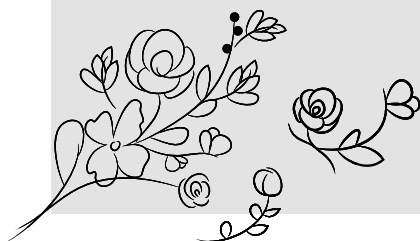

From fine cuisine to home-style cooking, our innkeeper will pamper you with a personal wedding menu created just for you. For those who love the extraordinary, we offer medieval crockery and culinary delights based on old recipes. Mr. Hruska and his well-coordinated team will happily assist you and ensure the perfect celebration for your wedding.

Castle chapel – pure romance

The castle’s chapel is one of the most romantic places to say “I do”. We will support you in handling any organizational issues that arise concerning the church wedding. Aggsbach-Dorf’s pastor will provide a wedding permit to every minister or deacon marrying the couple in the castle’s chapel.
